CARITASE

Horticultural Skills Development

We are offering Day Service Clients the amazing opportunity to access the exciting, new Horticultural Skills Development program.

As they take part, they will learn a range of horticultural skills, make new friends while building confidence.

The skills taught include:

- Seed preparation
- Planting
- Potting on/Re-potting plants
- Allotment maintenance
- Grounds maintenance

The program is based in the spacious grounds of Lisieux Hall.

For more information, please contact Paul Dilworth on:
