## Digni-tea for Dignity Action Day

To help celebrate Dignity Action Day, we are having a Digni-TEA Party on Friday 3rd February from 10.30am to 12pm in the Voice for All office at Lisieux Hall.

Please come and help us promote DIGNITY and join us for a cake and coffee/tea morning!

Digni-Tree

We will be creating a Digni-Tree as well as sharing more information about Dignity and the Common Core Principles.

Dignity Action Day gives everyone the opportunity to contribute to upholding people's rights to dignity and provide a truly memorable day for people receiving care.

Dignity Action Day aims to ensure people who use care services are treated as individuals and are given choice, control and a sense of purpose in their daily lives.

The event is free to attend. Everyone is welcome to come along and join us!

# MAKING A DIFFERENCE

The image features a central purple speech bubble with a white outline. Inside the bubble, the words "MAKING A" are on the top line and "DIFFERENCE" is on the bottom line, both in a bold, white, sans-serif font. The speech bubble is surrounded by numerous red hearts of various sizes, some overlapping each other. The hearts are scattered across the white background, with a higher concentration around the speech bubble. The overall design is clean and modern, with a focus on the text and the symbolic use of hearts.

**What does Dignity mean to you?**

Treat each person  
as an individual

Some people have their  
dignity ambition, others  
in a situation the less

# ‘What does Dignity mean to you!’

You are invited to help us  
create our very own  
**Digni-Tree!**

Please take a leaf and  
write down what  
dignity means to you  
and add it to the tree.

# Thank you

OUT  
THERE!

The common core principles  
to support dignity in the adult social care sector

## Principle 1

**Value the uniqueness of every individual**

## Principle 2

**Uphold the responsibility to shape care and support services around each individual**

## Principle 3

**Value communicating with individuals in ways that are meaningful to them**

## Principle 4

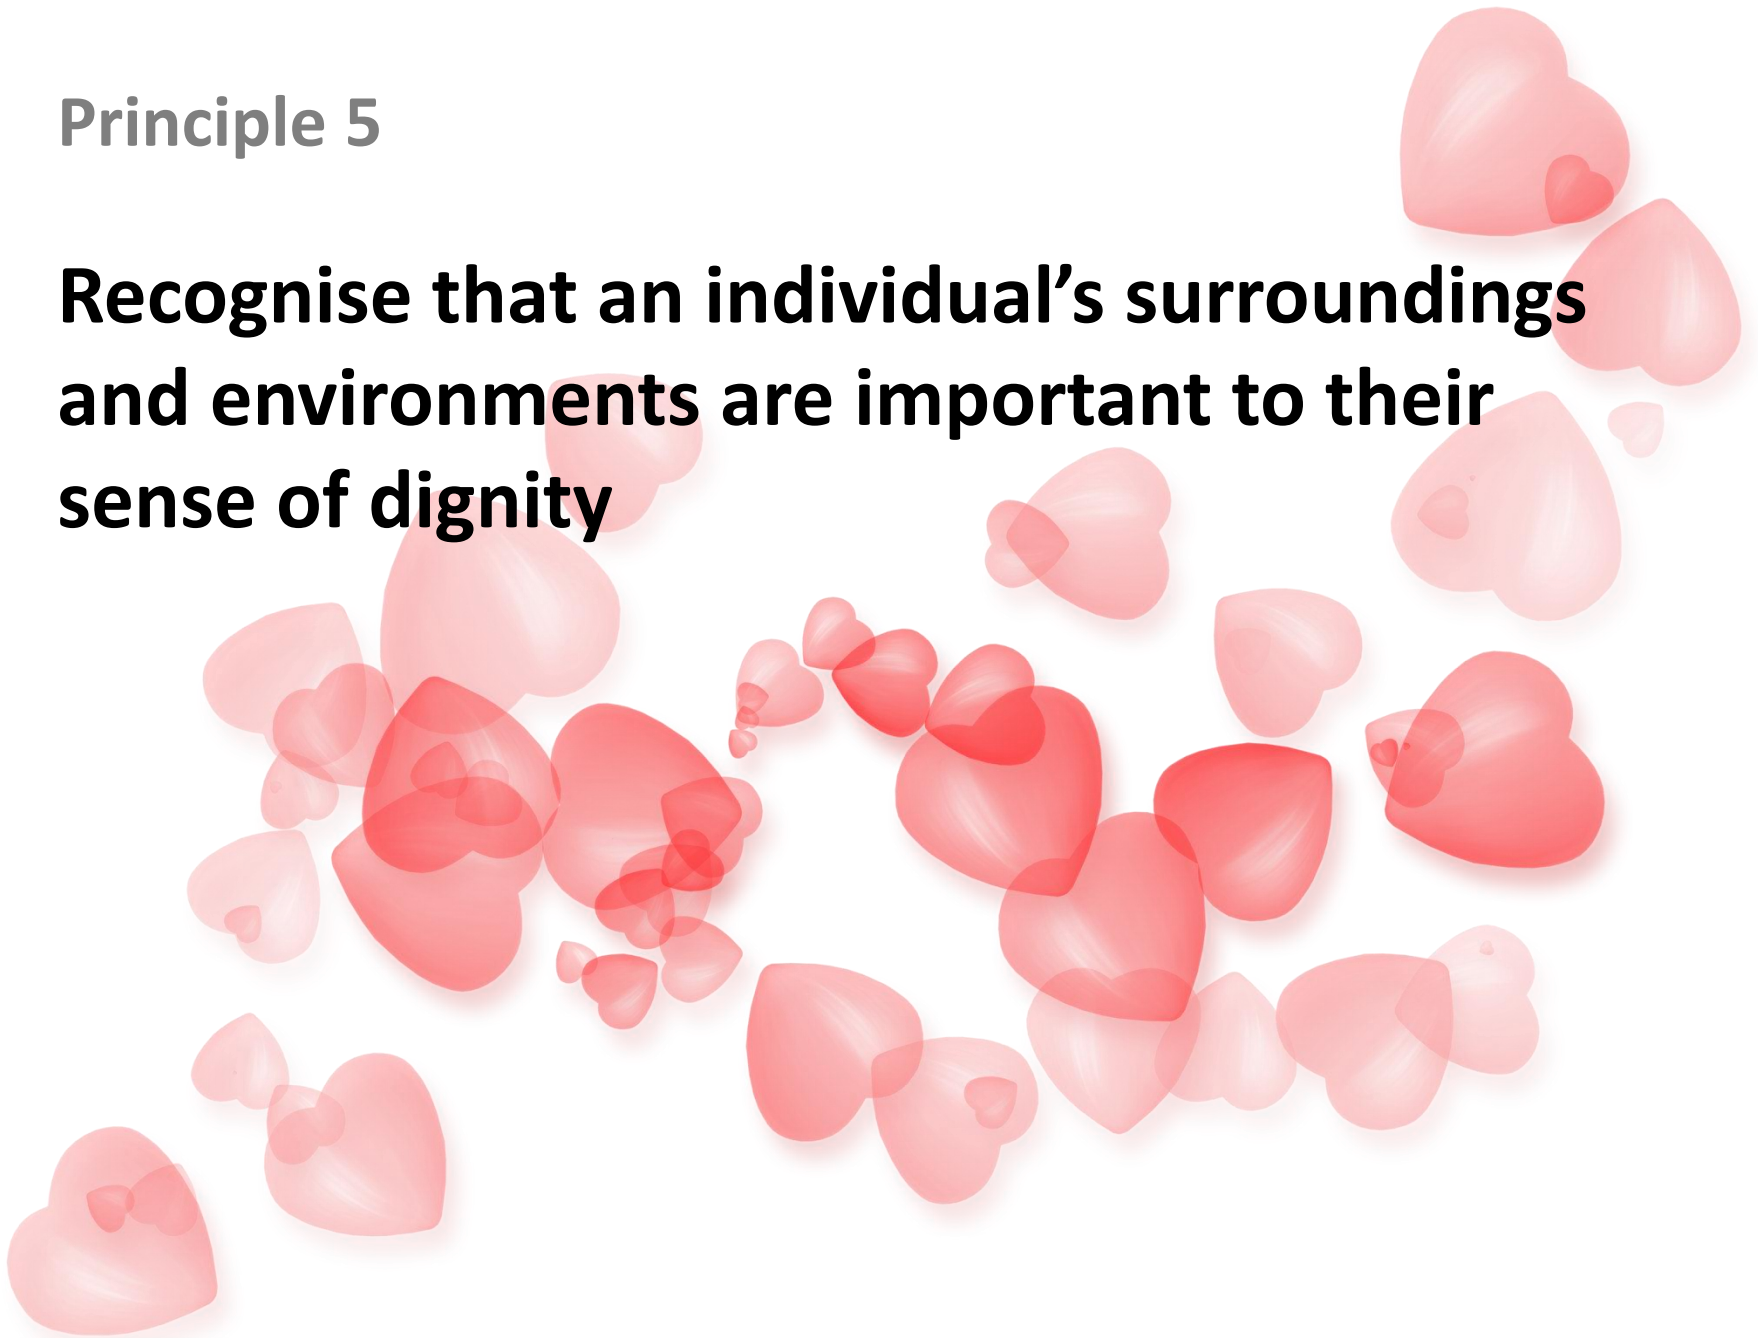

**Recognise and respect how an individual's dignity may be affected when supported with their personal care**

## Principle 5

**Recognise that an individual's surroundings and environments are important to their sense of dignity**

## Principle 6

**Value workplace cultures that actively promote the dignity of everybody**

## Principle 7

**Recognise the need to challenge care that may reduce the dignity of the individual**

# dignity

*Dignity in care means the kind of care, in any setting, which supports and promotes, and does not undermine, a person's self-respect regardless of any difference. Or, as one person receiving care put it more briefly, **'Being treated like I was somebody'***
